#### **Barclay Home Products, Cherokee, NC and Robbinsville, NC; Notice of Affirmative Determination Regarding Application for Reconsideration**

By letter of April 9, 1997, a former employee of the subject firm requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to petition numbers TA-W-32,949 and TA-W-32,950. The denial notice was signed on February 7, 1997 and published in the **Federal Register** on March 12, 1997 (62 FR 11472).

The petitioner presents new evidence that the Department's survey of the subject firm's customers was incomplete.

#### **Conclusion**

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC this 13th day of June 1997.

#### **Sunbeam Corporation Cookeville, TN; Notice of Negative Determination Regarding Application for Reconsideration**

By application dated April 12, 1997, the company requested administrative reconsideration of the Department's negative determination regarding worker eligibility to apply for trade adjustment assistance. The denial notice applicable to workers of the subject firm located in Cookeville, Tennessee, was signed on April 8, 1997 and published in the **Federal Register** on May 2, 1997 (62 FR 24134).

Pursuant to 29 CFR 90.18(c) reconsideration may be granted under the following circumstances:

- (1) If it appears on the basis of facts not previously considered that the determination complained of was erroneous;
- (2) If it appears that the determination complained of was based on a mistake in the determination of facts not previously considered; or
- (3) If in the opinion of the Certifying Officer, a misinterpretation of facts or of the law justified reconsideration of the decision.

Findings of the initial investigation showed that workers of Sunbeam Corporation in Cookeville produced armatures and fields for electric motors used in small kitchen appliances. The Department's denial of TAA for workers of the subject firm was based on the fact that the "contributed importantly" test of the Group Eligibility requirements of Section 222 of the Trade Act of 1974, as amended, was not met. The articles produced by Sunbeam at the Cookeville plant were shipped to other Sunbeam facilities for assembly into small kitchen appliances. Sunbeam did not import component parts.

The company claims that the majority of the production at the Cookeville facility was shifted to a foreign facility. The components are being assembled into small kitchen appliances and are reentering the United States. Therefore,
